

April 24, 2024

Dear Parents/Guardians of Bridgman Public Schools Students:

The Bridgman Education Association is excited to once again offer their “Blue Jean” Summer Scholarship program. Scholarships are available at each of the three buildings in the Bridgman district to qualifying applicants, grades pre-K-11. The scholarship is intended to be used toward the cost of a camp or enrichment program that students plan on attending over the summer.

Types of camps and programs the scholarship may be used for (but are not limited to) are: band camp, sports camp, theater camp, art classes, math/science enrichment, technology class, or cooking class. Per school policy, the scholarship may not be used for religious or faith-based camps/programs. **The purpose of this scholarship is to encourage our students to continue the learning process throughout the summer months.**

To be eligible, Bridgman students must fill out the application below and return it to their school’s main office by **Friday May 3, 2024.**

Please note: if the camp has already been paid for, a copy of the registration and payment receipt is necessary for reimbursement.

If you have any questions, please contact the following scholarship committee representatives:

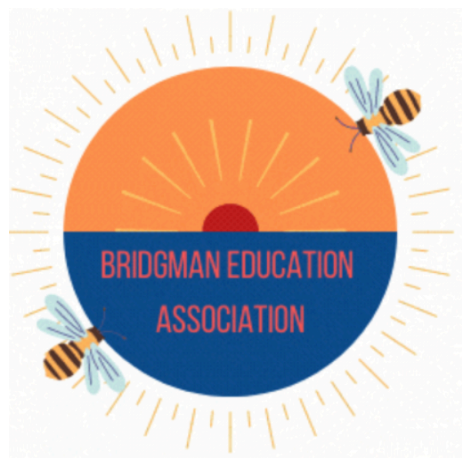

Melissa Payne at Bridgman Elementary School mpayne@bridgmanschools.com

Kim Yauchstetter at F.C.Reed Middle School kyauchstetter@bridgmanschools.com

Amy Houghton at Bridgman High School ahoughton@bridgmanschools.com

Thank you,

The Bridgman Education Association “Blue Jean” Scholarship Committee
