Good Morning Bee Nation

Today is Food Distribution Day!

According to the Executive Order "Stay Home/Stay Safe", Bridgman Public Schools may continue distributing food to our community. However, Bridgman Public Schools will continue to take the necessary precautions to protect the health and safety of our staff and our community members. Therefore, we have we have adjusted our food distribution process and procedures.

Unfortunately, we have had to close down the Bridgman Public Library and Warren Dunes Village sites.

WE WILL CONTINUE DISTRIBUTING ALL THE MEALS/FOOD AT BRIDGMAN HIGH SCHOOL.

WE HAVE EXPANDED the hours of food distribution. The hours will now be from 5:00 p.m. to 7:00 p.m.

Meals are "Grab-N-Go" bags/containers. Some of the meals will need to be refrigerated and/or heated up and served. Parents/Guardians walk up to the site and tell the servers how many "kids" 18 years and under in your household and you will be provided with those meals. Kids do not need to be present.

We do not need bags or boxes at this time.

If you do not have transportation to pick up meals, please contact Peggy Ferguson at pferguson@bridgmanschools.com to make alternative arrangements.

We will continue to monitor and make necessary adjustments to this program to ensure ALL KIDS are being offered nutritious food options. Please watch for further announcements on our district website and our Facebook/Twitter accounts.

Thank you for your continued patience and support as we all deal with this national crisis.

Stay Safe! Stay Healthy! Stay Positive! Go Bees!
