

Teacher & Support Staff COVID-19 Hazard Pay

The Michigan Department of Treasury recently released details regarding the process for teachers and school support staff to access the one-time hazard pay for teachers and support staff included in Public Act 166 of 2020. Public Act 166 of 2020 calls for a one-time \$500.00 hazard pay to be paid out to eligible teaching staff and a one-time \$250.00 hazard pay to be paid out to eligible school support staff to recognize the additional time spent outside of normal working hours and additional costs teachers have incurred as a result of the school closure in the spring of 2020.
