

Each year, *Berrien County Career and Technical Education* (CTE) offers state-approved, high quality career and technical education programs to any high school student throughout Berrien County. CTE prepares young students for employment and/or post-secondary education in a broad range of occupations representing 16 state-identified career clusters. Participants must enroll through their resident public school district and have met program prerequisites, if any. All students who reside in or attend school in Berrien County are eligible to participate. Contact your local high school counselor or CTE Director for additional information or to enroll.

The PA56 Consortium is committed to equal opportunity in education for all students and is responsible for all of the Career & Technical Education classes offered within the consortium. It is the policy of the PA56 Consortium members that no person on the basis of race, color, religion (creed), national origin, age, sex, sexual orientation, weight, height, marital status, gender expression, judicial record, disability, and/or any other legally protected characteristic shall be bullied and/or discriminated against. This includes exclusion from participation in, benefits of, or be otherwise subjected to discrimination under any state or federally funded program or activity for which the Berrien Regional Education Service Agency or any member of the PA56 Consortium is responsible, or for which it receives state or federal financial assistance from the Department of Education. In addition to the above statement, arrangements may be made to ensure that language skills are not a barrier to admission or participation in Career & Technical Education programs within the Berrien County PA56 Consortium.

Inquiries related to discrimination should be directed to the hosting school's CTE Director. Additional inquiries can be directed to:
